## REIMBURSEMENT AGREEMENT

This AGREEMENT made this \_\_\_\_ day of \_\_\_\_\_, 2009, by and between AT&T Corp., on behalf of itself and its affiliated companies, which has a place of business at 3001 Cobb Parkway, Atlanta, GA 30339 ("AT&T") and City of Grand Island, which has a place of business at 100 East 1<sup>st</sup> Street, Grand Island, NE 68802 ("Developer").

### WITNESSETH:

**WHEREAS**, AT&T is a grantee of an easement that is recorded as Document 88-101382, County of Hall, State of Nebraska (the "Easement"); and

**WHEREAS**, the Easement and any AT&T buried cable and associated facilities that have been placed within the Easement will be adversely impacted by Developer's proposed construction within the easement strip; and

**WHEREAS**, Developer will reimburse AT&T for AT&T's cost of protecting, relocating and/or lowering a section of the AT&T Grand Island-Prospect Valley Cable between AT&T Marker 5 and 6 (the "Cable");

**NOW THEREFORE**, the parties agree as follows:

1. AT&T will provide engineering, plant protection, labor, materials, and supervision necessary to protect, relocate and/or lower the Cable, as deemed necessary in AT&T's sole judgment (the "Work"). The Work is more particularly described in attached Exhibit A. The starting date will be set by the parties so that the Work can be completed as expeditiously as practicable.
2. Developer shall pay AT&T the actual cost of the Work, which is estimated to be Twenty-eight Thousand Two Hundred Fifty-five Dollars (\$28,255.00), as shown on attached Exhibit B. The estimated cost shall be paid by Developer upon execution of this Agreement. Developer acknowledges that the estimated cost does not include rock removal costs and that if rock removal is required, the actual cost may greatly exceed the estimated cost. Upon completion of the Work, AT&T will send a final invoice to Developer for the actual cost of the Work. If the actual cost is greater than the estimated amount, Developer will pay to AT&T the difference within thirty (30) days from the invoice date. If the actual cost is less than the estimated amount, AT&T shall reimburse Developer the difference within sixty (60) days from the invoice date. Exhibits A and B are valid for up to sixty (60) days from the date of receipt of this agreement.
3. Developer agrees to exercise all due caution while working near the Cable, in order to prevent damage to the Cable. Developer agrees:

(a) to notify AT&T by telephone at 1-800 252-1133 at least forty-eight (48) hours prior to performing any construction, demolition or repairs at the Cable location;

(b) not to use at the Cable location any tool, equipment, or the machinery capable of being operated within ten (10) feet of the Cable;

(c) to perform construction, demolition, repair, modifications, additions and any other activities in compliance with all applicable laws and regulations and in a manner that does not interfere with the operations of AT&T; and

(d) not to work at the Cable location without AT&T's prior authorization and AT&T's On-Site Work Force personnel being present during the work.

4. Developer (the "Indemnifying Party") shall indemnify, defend and hold harmless AT&T (the "Indemnified Party") from and against any and all claims, demands, actions, losses, damages, assessments, charges, judgments, liabilities, costs and expenses (including reasonable attorneys' fees and disbursements) that may from time to time be asserted by third parties against the Indemnified Party because of any personal injury, including death, to any person or loss of, physical damage to or loss of use of real or tangible personal property, to the extent caused by the negligence or misconduct of the Indemnifying Party, its agents, employees or contractors. For purposes of indemnifications set forth in this Agreement, "Indemnified Party" means AT&T, its affiliates, subsidiaries, parent, successors and assigns and its and their employees, directors, officers, agents, contractors and subcontractors. The Indemnified Party:

4.1 shall notify the Indemnifying Party in writing promptly upon learning of any claim or suit for which indemnification may be sought, provided that failure to do so shall have no effect except to the extent the Indemnifying Party is prejudiced thereby;

4.2 shall have the right to participate in such defense or settlement with its own counsel and at its own expense, but the Indemnifying Party shall have control of this defense or settlement; and

4.3 shall reasonably cooperate with the defense.

5. AT&T makes no warranties, express or implied, including any implied warranties as to merchantability or fitness for a particular purpose.

6. Notwithstanding any provision of this agreement to the contrary, except as provided in Section 4, in no event shall either party be liable to the other party for any special, incidental, indirect, punitive, reliance or consequential damages, whether foreseeable or not, including, but not limited to, loss of profits or revenue, cost of capital, cost of replacement services, or claims of customers or of other third parties, occasioned by any cause whatsoever, including, without limitation, breach of contract, breach of warranty, negligence or strict liability.

## 7. Insurance

- a. With respect to Developer's performance under this Agreement, and in addition to Developer's obligation to indemnify, Developer if they are performing any work hereunder or their contractors, at Developer's sole cost and expense shall:
- i. maintain the insurance coverages and limits required by this Section and any additional insurance and/or bonds required by law:
    1. at all times during the term of this Agreement and until completion of all Work associated with this Agreement, whichever is later; and
    2. with respect to any coverage maintained in a "claims-made" policy, for two (2) years following the term of this Agreement or completion of all Work associated with this Agreement, whichever is later. If a "claims-made" policy is maintained, the retroactive date must precede the commencement of Work under this Agreement;
  - ii. require each subcontractor who may perform Work under this Agreement or enter upon the Work site to maintain coverages, requirements, and limits at least as broad as those listed in this Section from the time when the subcontractor begins Work, throughout the term of the subcontractor's Work and, with respect to any coverage maintained on a "claims-made" policy, for two (2) years thereafter;
  - iii. procure the required insurance from an insurance company eligible to do business in the state or states where Work will be performed and having and maintaining a Financial Strength Rating of "A-" or better and a Financial Size Category of "VII" or better, as rated in the A.M. Best Key Rating Guide for Property and Casualty Insurance Companies, except that, in the case of Workers' Compensation insurance, Developer may procure insurance from the state fund of the state where Work is to be performed; and
  - iv. deliver to AT&T certificates of insurance stating the types of insurance and policy limits. Developer shall provide or will endeavor to have the issuing insurance company provide at least 30 days advance written notice of cancellation, non-renewal, or reduction in coverage, terms, or limits to AT&T. Developer shall deliver such certificates:
    1. prior to execution of this Agreement and prior to commencement of any Work;
    2. prior to expiration of any insurance policy required in this Section; and
    3. for any coverage maintained on a "claims-made" policy, for two (2) years following the term of this Agreement or completion of all Work associated with this Agreement, whichever is later.
- b. The Parties agree:
- i. the failure of AT&T to demand such certificate of insurance or failure of AT&T to identify a deficiency will not be construed as a waiver of

- Developer's obligation to maintain the insurance required under this Agreement;
- ii. that the insurance required under this Agreement does not represent that coverage and limits will necessarily be adequate to protect Developer, nor be deemed as a limitation on Developer's liability to AT&T in this Agreement;
  - iii. Developer may meet the required insurance coverages and limits with any combination of primary and Umbrella/Excess liability insurance; and
  - iv. Developer is responsible for any deductible or self-insured retention.
- c. The insurance coverage required by this Section includes:
- i. Workers' Compensation insurance with benefits afforded under the laws of any state in which the Work is to be performed and Employers Liability insurance with limits of at least:

    - \$500,000 for Bodily Injury by disease – each employee
 To the fullest extent allowable by Law, the policy must include a waiver of subrogation in favor of AT&T, its Affiliates, and their directors, officers and employees.  
 In states where Workers' Compensation insurance is a monopolistic state-run system, Developer shall add Stop Gap Employers Liability with limits not less than \$500,000 each accident or disease.
  - ii. Commercial General Liability insurance written on Insurance Services Office (ISO) Form CG 00 01 12 04 or a substitute form providing equivalent coverage, covering liability arising from premises, operations, personal injury, products/completed operations, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract) with limits of at least:
    - \$2,000,000 General Aggregate limit
    - \$1,000,000 each occurrence limit for all bodily injury or property damage incurred in any one (1) occurrence
    - \$1,000,000 each occurrence limit for Personal Injury and Advertising Injury
    - \$2,000,000 Products/Completed Operations Aggregate limit
    - \$1,000,000 each occurrence limit for Products/Completed Operations
 The Commercial General Liability insurance policy must:
    - 1. include AT&T, its Affiliates, and their directors, officers, and employees as Additional Insureds. Developer shall provide a copy of the Additional Insured endorsement to AT&T. The Additional Insured endorsement may either be specific to AT&T or may be "blanket" or "automatic" addressing any person or entity as required by contract. A copy of the Additional Insured endorsement must be provided within 60 days of execution of this Agreement

- and within 60 days of each Commercial General Liability policy renewal;
  - 2. include a waiver of subrogation in favor of AT&T, its Affiliates, and their directors, officers and employees; and
  - 3. be primary and non-contributory with respect to any insurance or self-insurance that is maintained by AT&T.
- ii. Business Automobile Liability insurance with limits of at least \$1,000,000 each accident for bodily injury and property damage, extending to all owned, hired, and non-owned vehicles.

8. Developer shall keep the Cable and other property of AT&T free from all mechanic's, artisan's, materialman's, architect's, or similar services' liens which arise in any way from or as a result of its activities and cause any such liens which may arise to be discharged or released.

9. Except for payment of the cost of the Work, neither party shall have any liability for its delays or its failure in performance due to: fire, explosion, pest damage, power failures, strikes or labor disputes, acts of God, the Elements, war, civil disturbances, acts of civil or military authorities or the public enemy, inability to secure raw materials, transportation facilities, fuel or energy shortages, or other causes beyond its control, whether or not similar to the foregoing.

10. A party shall be in default if it fails to perform or observe any material term or condition of this Agreement and the failure continues unremedied for thirty (30) days after receipt of written notice (fourteen (14) days in the case of Developer's failure to pay AT&T the estimated and/or actual cost of the Work); provided, however, that when such default (excluding Developer's non-payment) cannot reasonably be cured within such thirty (30) day period, this period will be extended if that party promptly commences to cure the same and prosecutes such curing with due diligence. Upon the default by a party, the other party may terminate this Agreement and pursue any legal remedies it may have under applicable law or principles of equity.

11. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors or assigns. Developer shall not assign, transfer, or dispose of this Agreement or any of its rights or obligations hereunder without prior written consent of AT&T; provided, however, that Developer may assign or transfer this Agreement to a controlling or controlled affiliate or to a successor in the event of reorganization, including a merger or sale of substantially all of its assets, without the consent of AT&T. An assignment, transfer or disposition of this Agreement by Developer shall not relieve Developer of any of its obligations under this Agreement. AT&T shall have the right to assign this Agreement and to assign its rights and delegate its obligations and liabilities under this Agreement, either in whole or in part, to any party. An assignment, transfer or disposition of this Agreement by AT&T shall not relieve AT&T of any of its obligations under this Agreement. Neither this Agreement, nor any term or provision hereof, nor any inclusion by reference shall be construed as being for the benefit of any person or entity not a signatory hereto.

12. Any demand, notice or other communication to be given to a party in connection with this Agreement shall be given in writing and shall be given by personal delivery, by registered or certified mail, return receipt requested, or by commercial overnight delivery service addressed to the recipient as set forth below or to such other address or individual, as may be designated by notice given by the party to the other:

20. No provision of this Agreement shall be interpreted to require any unlawful action by either party. If any section or clause of this Agreement is held to be invalid or unenforceable, then the meaning of that section or clause shall be construed so as to render it enforceable to the extent feasible.
