The Net Proceeds of all such insurance shall be applied toward extinguishment or satisfaction of the liability with respect to which any Net Proceeds may be paid.

All insurance policies or riders required by Section 6.3 shall name Lessee as insured party. Lessee shall deposit with Lessor policies (or riders) evidencing any such insurance procedure by it, or a certificate or certificates of the respective insurers stating that such insurance is in full force and effect. Before the expiration of any policy (or rider), Lessee shall furnish to Lessor evidence that the policy has been renewed or replaced by another policy conforming to the provisions of this Article, unless such insurance is not obtainable in which event Lessee shall notify Lessor of this fact.

Section 6.5 **Lessee's Negligence.** Lessee assumes all risks and liabilities, whether or not covered by insurance, for loss or damage to the Equipment and for injury to or death of any Person or damage to any property, whether such injury or death be with respect to agents or employees of Lessee or of third parties, and whether such property damage be to Lessee's property or property of others, which is proximately caused by the negligent conduct of Lessee, its officers, employees and agents. Lessee hereby assumes responsibility for and agrees to reimburse Lessor for all liabilities, obligations, losses and damages, penalties, claims, actions, costs and expenses (including reasonable attorneys' fee) of whatsoever kind and nature, imposed on, incurred by or asserted against Lessor that in any way relate to or arise out of a claim, suit, or proceeding based in whole or in part upon the negligent conduct of Lessee, its officers, employees and agents, to the maximum extent permitted by law.

Section 6.6 **Damage to or Destruction of Equipment.** If after delivery of the Equipment to Lessee all or any part of the Equipment is lost, stolen, destroyed or damaged beyond repair, Lessee shall as soon as practical after such event, replace the same at Lessee's sole cost and expense with equipment of equal or greater value to the Equipment immediately prior to the time of the loss occurrence, such replacement equipment to be subject to Lessor's reasonable approval, whereupon such replacement shall be substituted in this Lease by appropriate endorsement, subject to the provisions of Section 12.7 hereof. Lessee shall notify Lessor of which course of action it will take within fifteen (15) days after the loss occurrence. If Lessee fails or refuses to notify Lessor within the required period, Lessor may, at its option, exercise its remedies under Article XII hereof. The Net Proceeds of all insurance payable with respect to the Equipment shall be available to Lessee and shall be used to discharge Lessee's obligations under this Section.

Section 6.7 **Cooperation of Lessor.** The Lessor shall cooperate fully with the Lessee at the sole expense of the Lessee, in filing any proof of loss with respect to any insurance policy covering the casualties described in this Section. To the extent it may lawfully do so, the Lessor will permit the Lessee to litigate in any proceeding resulting therefrom and the name of it and on behalf of the Lessor, provided that the Lessor has been indemnified from all costs and expenses therefor, including without limitation, reasonable counsel fees incurred by the Lessor in connection with any such litigation in its name. In no event will the Lessor voluntarily settle or consent to the settlement of any proceeding, arising out of any insurance claim with respect to the Equipment or any part thereof, without the written consent of the Lessee.

ARTICLE VII OTHER OBLIGATIONS OF LESSEE

Section 7.1 **Use; Permits.** Lessee shall exercise due care in the installation, use, operation and maintenance of the Equipment, and shall not install, use, operate or maintain the Equipment improperly, carelessly, in violation of any State or Federal Law or for a purpose or in a manner contrary to that contemplated by this Lease. Lessee shall obtain all permits and licenses necessary of the installation, operation, possession and use of the Equipment. Lessee shall comply with all State and Federal Laws applicable to the installation, operation, possession and use of the Equipment, and if compliance with any such State or Federal Law requires changes or additions to be made to the Equipment, such changes or additions shall be made by Lessee at its expense.

Section 7.2 **Maintenance of Equipment by Lessee.** Lessee shall, at its own expense, maintain, preserve and keep the Equipment in good repair, working order and condition, and shall from time to time make all repairs and replacements necessary to keep the Equipment in such condition. Lessee shall also pay when due all gas, water, steam, electricity, heat, power, telephone, and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Equipment, and all special assessments and charges lawfully made by any governmental body for public improvements that may be secured by a lien of the Equipment; provided that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, Lessee shall be obligated to pay only such installments as are required to be paid during the Term of this Lease as and when the same become due. Lessee shall not be required to pay any federal, state or local income, inheritance, estate, succession, transfer, gift, franchise, gross receipts, profit, excess profit, capital stock, corporate or other similar tax payable by Lessor, its successors or assigns, unless such tax is made in lieu of or as a substitute for any tax, assessment or charge which is the obligation of Lessee under this Section.

(b) Lessee may, at its own expense and in its own name, in good faith contest any such taxes, assessments, utility and other charges and, in the event of any such contest, may permit the taxes, assessments, utility or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom unless Lessor shall notify Lessee that, in the opinion of Independent Counsel, by nonpayment of any such items the interest of Lessor in the Equipment will be materially endangered or the Equipment or any part thereof will be subject to loss for forfeiture, in which event Lessee shall promptly pay such taxes, assessments, utility or other charges or provide Lessor with full security against any loss which may result from nonpayment, in the form satisfactory to Lessor.

Section 7.4 **Advances.** If Lessee shall fail to perform any of its obligations under this Article, Lessor may, but shall not be obligated to, take such action as may be necessary to cure such failure, including the advancement of money, and Lessee shall be obligated to repay all such advances on demand, with interest at the rate of 18.0 % per annum or the maximum rate permitted by law, whichever is less, from the date of the advance to the date of repayment.

Section 7.5 **Disbursements.** (a) As payments are required for the Equipment under this Lease, the Lessee as the agent for the Lessor shall prepare and submit a Certificate of Acceptance of Lessee with a Request for Disbursement of Funds to the Lessor. (b) The Lessor shall permit the withdrawal of funds requested in the Request for Disbursement of Funds, and such funds shall be applied to the payment of the Cost of the Equipment.

ARTICLE VIII TITLE

Section 8.1 **Title.** During the Term of this Lease, legal title to the Equipment and any all repairs, replacements, substitutions and modifications to it shall be in Lessee's name subject to Lessor's interest. Upon termination of this Lease for any of the reasons specified in Section 4.2 (b), Lessor's interest in the Equipment shall terminate, and Lessor shall execute and deliver to Lessee such documents as Lessee may request to evidence the termination of Lessor's security or other interest in the Equipment.

Section 8.2 Security Interest. Lessor shall have and retain a security interest under the Uniform Commercial Code, Certificate of Title or other applicable State or Federal Law in the Equipment, the proceeds thereof and all repairs, replacements, substitutions and modifications thereto or thereof pursuant to Section 8.5, in order to secure Lessee's payment of all Lease-Purchase Payments due during the Term of this Lease and the performance of all other obligations herein to be performed by Lessee. Lessee will join with Lessor in executing such financing statements or other documents and will perform such acts as Lessor may request to establish and maintain a valid security interest in the Equipment. If requested by Lessor, Lessee shall conspicuously mark the Equipment with appropriate lettering, labels or tags, and maintain such markings during the Term of this Lease, so as clearly to disclose Lessor's security interest in the Equipment.

Section 8.3 Liens. During the Term of this Lease, Lessee shall not, directly or indirectly, create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, encumbrance or claim on or with respect to the Equipment, other than the respective rights of Lessor and Lessee as herein provided and Permitted Encumbrances. Except as expressly provided in Section 7.3 and this Article, Lessee shall promptly, at its own expense, take such action as may be necessary duly to discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim if the same shall arise at any time. Lessee shall reimburse Lessor for any expense incurred by Lessor in order to discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim.

Section 8.4 Installation of Lessee's Equipment. Lessee may at any time and from time to time, in its sole discretion and at its own expense, install other items of equipment in or upon the Equipment, which items shall be identified by tags or other symbols affixed thereto as property of Lessee. All such items so identified shall remain the sole property of Lessee, in which Lessor shall have no interest, and may be modified or removed by Lessee at any time provided that Lessee shall repair and restore any and all damage to the Equipment resulting from the installation, modification or removal of any such items. Nothing in this Lease shall prevent Lessee from purchasing items to be installed pursuant to this Section under a conditional sale or lease-purchase contract, or subject to a vendor's lien or security agreement, as security for the unpaid portion of the purchase price thereof, provided that no such lien or security interest shall attach to any part of the Equipment.

Section 8.5 Modification of Equipment. Lessee shall at its own expense, have the right to make repairs to the Equipment, and to make repairs, replacements, substitutions and modifications to all or any part of the parts thereof. All such work and any part or component used or installed to make a repair or as a replacement, substitution or modification, shall thereafter comprise part of the Equipment and be subject to the provisions of the Lease. Such work shall not in any way damage the Equipment or cause it to be used for purposes other than those authorized under the provisions of State or Federal Law or those contemplated by this Lease; and the Equipment, upon completion of any such work shall be of a value which is not less than the value of the Equipment immediately prior to the commencement of such work. Any property for which a replacement or substitution is made pursuant to this Section may be disposed of by Lessee in such manner and on such terms as are determined by Lessee. Lessee will not permit any mechanic's or other lien to be established or remain against the Equipment for labor or materials furnished in connection with any repair, replacement, substitution or modification made by Lessee pursuant to this Section; provided that if any such lien is established and Lessee shall first notify Lessor of Lessee's intention to do so, Lessee may in good faith contest any lien filed or established against the Equipment, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period such contest and any appeal therefrom unless Lessor shall notify Lessee that, in the opinion of Independent Counsel, by nonpayment of any such items the interest of Lessor in the Equipment will be materially endangered or the Equipment or any part thereof will be subject to loss or forfeiture, in which event Lessee shall promptly pay and cause to be satisfied and discharged all such unpaid items or provide Lessor with full security against any such loss or forfeiture, in form satisfactory to Lessor. Lessee will cooperate fully with Lessee in any such contest.

Section 8.6 Personal Property. The Equipment is and shall at all times be and remain personal property notwithstanding that the Equipment or any part thereof may be or hereafter become in any manner affixed or attached to or embedded in or permanently rested upon real property or any building thereon or attached in any manner to what is permanently rested upon real property or any building thereon or attached in any manner to what is permanent by means of cement, plaster, nails, bolts, screws or otherwise.

Section 9.1 **Selection of Equipment.** The Equipment and the Contractor have been selected by Lessee, and Lessor shall have no responsibility in connection with the selection of the Equipment, its suitability for the use intended by Lessee, the acceptance by the Contractor or its sales representative of the order submitted, or any delay or failure by the Contractor or its sales representative to manufacture, deliver or install the Equipment for use by Lessee. Lessee authorized Lessor to add the serial number of the Equipment to Exhibit A when available.

Section 9.4 **Patent Infringement.** Lessor hereby assigns to Lessee for and during the Term of this Lease all of its interest in patent indemnity protection provided by any Contractor with respect to the Equipment. Such assignment of patent indemnity protection by Lessor to Lessee shall constitute the entire liability of Lessor for any patent infringement by Equipment furnished pursuant to this Lease.

Section 9.5 **Disclaimer of Warranties.** THE EQUIPMENT IS DELIVERED AS IS, AND LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY LESSEE OF THE EQUIPMENT, OR ANY OTHER REPRESENTATION OR WARRANTY WITH RESPECT TO THE EQUIPMENT.

All of Lessor's rights, title and/or interest in and to this Lease, the Lease-Purchase Payments or other amounts due hereunder and the Equipment may be assigned and reassigned in whole or in part to one or more assignees or subassignees by Lessor at any time, without the consent of Lessee. No such assignment shall be effective as against Lessee unless and until the assignor shall have filed with Lessee a copy or written notice thereof identifying the assignee. Lessee shall pay all Lease-Purchase Payments due hereunder to or at the direction of Lessor or the assignee named in the most recent assignment or notice of assignment filed with Lessee. During the Lease Term, Lessee shall keep a complete and accurate record of all such assignments. In the event Lessor assigns participation in its right, title and/or interest in and to this Lease, the Lease-Purchase Payments and other amounts due hereunder and the Equipment, such participants shall be considered to be Lessor with respect to their participated shares thereof.

Section 11.2 **Assignment and Subleasing by Lessee.** Neither this Lease nor Lessee's interest in the Equipment may be assigned by Lessee without the written consent of Lessor. However, the Equipment may be subleased by Lessee, in whole or in part, without the consent of Lessor, subject, however, to each of the following conditions:

(a) This Lease and the obligation of Lessee to make Lease-Purchase Payments hereunder, shall remain obligations of Lessee.

(b) The sublease shall assume the obligation of Lessee hereunder to the extent of the interest subleased.

(e) No sublease shall cause the Interest component of the Lease-Purchase Payments due with respect to the Equipment to become includable in gross income of the recipient for federal income tax purposes.

Section 11.3 **Restriction on Mortgage or Sale of Equipment by Lessee.** Except as provided in Section 11.2, Lessee will not mortgage, sell, assign, transfer or convey the Equipment or any portion thereof during the Term of this Lease, or remove the same from its boundaries, without the written consent of Lessor.

ARTICLE XII EVENTS OF DEFAULT AND REMEDIES

Section 12.1 **Events of Default Defined.** (a) The following shall be "events of default" under this Lease and the terms "events of default" and "default" shall mean, whenever they are used in this Lease, with respect to the Equipment, any one or more the following events:

(i) Except as permitted by Section 12.7 hereof, failure by Lessee to pay any Lease-Purchase Payment or other payment required to be paid under this Lease at the time specified herein and the continuation of said failure for a period of three days after telephonic or telegraphic notice given by Lessor that the payment referred to in such notice has not been received, such telephonic or telegraphic notice to be subsequently confirmed in writing, or after written notice.

(ii) Failure by Lessee to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in clause (i) of this Section, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied has been given to Lessee by Lessor, unless Lessor shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice cannot be corrected within the applicable period, Lessor will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by Lessee within the applicable period and diligently pursued until the default is corrected.

(iii) The filing by Lessee of a voluntary petition in bankruptcy, or failure by Lessee promptly to lift any execution, garnishment or attachment of such consequence as would impair the ability of Lessee to carry on its governmental or proprietary function or adjudication of Lessee as a bankrupt, or assignment by Lessee for the benefit of creditors, or the entry by Lessee into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to Lessee in any proceedings instituted under the provisions of the Federal Bankruptcy Statutes, as amended, or under any similar acts which may hereafter be enacted.

(b) The provisions of this Section 12.1 and Section 12.2 are subject to the following limitation: if by reason of force majeure Lessee is unable in whole or in part to carry out its obligation under this Lease with respect to the Equipment, other than its obligation to pay Lease-Purchase Payments with respect thereto which shall be paid when due notwithstanding the provisions of this paragraph, Lessee shall not be deemed in default during the continuance of such inability. The term "force majeure" as used herein shall mean, without limitation, the following: acts of god, strikes, lockouts or other labor disturbances; acts of public enemies; orders or restraints of any kind of the government of the United States of America or the State or their respective departments, agencies or officials, or any civil or military authority; insurrections, riots; landslides; earthquakes; fires; storms; droughts; floods; explosions; breakage or accident to machinery, transmission pipes or canals; or any other cause

or event not reasonably within the control of Lessee and not resulting from its negligence. Lessee agrees, however, to remedy with all reasonable dispatch the cause or causes preventing Lessee from carrying out its obligations under this Lease; provided that the settlement of strikes, lockouts and other labor disturbances shall be entirely within the discretion of Lessee and Lessee shall not be required to make settlement of strikes, lockouts and other labor disturbances by acceding to the demands of the opposing party or parties when such course is in the judgment of Lessee unfavorable to Lessee.

Section 12.2 **Remedies of Default.** Whenever any event of default referred to in Section 12.1, clauses (i) to (iii) hereof shall have happened and be continuing with respect to the Equipment described on Exhibit A, Lessor shall have the right, at its option and without any further demand or notice, to take one or any combination of the following remedial steps:

(i) With or without terminating this Lease, re-enter and take possession of such Equipment and exclude Lessee from using it; provided, however, that if this Lease has not been terminated, Lessor shall return possession of such Equipment to Lessee when the event of default is cured; and provided further that Lessee shall continue to be responsible for the Lease-Purchase Payments due with respect to such Equipment during the Fiscal Year then in effect; or

(ii) With or without terminating this Lease, re-enter and take possession of such Equipment, and sell, lease or sublease such Equipment or any part of it, holding Lessee liable for the difference between (a) the sales price, rent and other amounts paid by the purchaser, lessee or sublessee pursuant to such sales agreement, lease or sublease and (b) the balance of the Lease-Purchase Payments and other amounts owed by Lessee with respect to such Lease; provided, however, that nothing contained herein shall impose an obligation upon Lessor so to sell, lease or sublease such Equipment and provided that any excess proceeds from such disposition shall be retained by Lessor; or

(iii) With or without terminating this Lease, declare all Lease-Purchase Payments during the Fiscal Year then in effect due or to become due with respect to such Lease in effect when the default occurs to be immediately due and payable by Lessee, whereupon such Lease-Purchase Payments shall be immediately due and payable; or

(iv) Take whatever action at law or in equity may appear necessary or desirable to collect the Lease-Purchase Payments then due and thereafter to become due during the then current Fiscal Year of Lessee with respect to such Lease, or enforce performance and observance of any obligation, agreement or covenant of Lessee under this Lease.

Section 12.3 **Return of Equipment.** Upon termination of this Lease prior to the payment of all Lease-Purchase Payments, Lessee shall return the Equipment to Lessor in the condition, repair, appearance and working order required in Section 7.2, in the following manner as may be specified by Lessor: (a) by delivering the Equipment at Lessee's cost and expense to such place within the State as Lessor shall specify; or (b) by loading such portions of the Equipment as are considered movable at Lessee's cost and expense, on board such carrier as Lessor shall specify and shipping the same, freight prepaid, to the place specified by Lessor. If Lessee refuses to return the Equipment in the manner designated, Lessor may repossess the Equipment and charge to Lessee the costs of such repossession or pursue any remedy described in Section 12.2.

Section 12.4 **No Remedy Exclusive.** No remedy conferred upon or reserved to Lessor by this Article is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Lease. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof by any such right and power. Each remedy may be exercised from time to time and as often as may be deemed expedient by Lessor or its assignee.

Section 12.5 **Agreement to Pay Attorney's Fees and Expenses.** In the event either party to this Lease should default under any of the provisions hereof and the nondefaulting party should employ attorneys and/or incur other expenses for the collection of monies or for the enforcement of performance or observance of any obligation or agreement on the part of the defaulting party herein contained, the defaulting party agrees that it will on demand therefor pay to the nondefaulting party the reasonable fee of such attorneys and/or such other reasonable expenses so incurred by the nondefaulting party. In the event that legal proceedings relating to this

Lease are commenced in any court or before any other tribunal of competent jurisdiction, the reasonable legal fees and other reasonable costs and expenses of the prevailing party shall be paid by the nonprevailing party on demand of the prevailing party.

Section 12.6 **Late Charges.** Whenever any event of default referred to in Section 12.1, clause (i) hereof shall have happened and be continuing with respect to the Equipment described on Exhibit A, Lessor shall have the right, at its option and without any further demand or notice, to require a late payment charge equal one and one-half percent (1.5%) per month of the delinquent Rental Payment, and Lessee shall be obligated to pay the same immediately upon receipt of Lessor's written invoice therefor; provided, however, that this Section 12.6 shall not be applicable if or to the extent that the application thereof would affect the validity of this Lease.

Section 12.7 **Non-Appropriation of Funds.** (a) Notwithstanding any provision in the Lease to the contrary, in the event that no funds or insufficient funds are appropriated by Lessee's governing body for the next fiscal year for Lease-Purchase Payments due under this Lease, this Lease shall terminate the end of such fiscal year on the last day of the fiscal year for which appropriations were received and Lessee shall return the Equipment to Lessor (at Lessee's expense, to a destination Lessor directs, in good working condition less normal wear and tear), and cancel this Lease by notice to such effect served not less than thirty (30) days prior to the end of the Lessee's fiscal year. Lessee shall notify Lessor of nonappropriation within thirty (30) days of its occurrence.

(b) Lessee and Lessor acknowledge and agree that the Lease-Purchase Payments hereunder shall constitute currently budgeting expenditures of Lessee from its capital expenditure fund or successor fund thereto. Lessee's obligations under this Lease shall be subject to Lessee's annual right to terminate this Lease, and shall not constitute a mandatory charge of requirement in any ensuing fiscal year beyond the then current fiscal year. No provision of this Lease shall be construed or interpreted as creating a general obligation or other indebtedness of Lessee within the meaning of any constitutional or statutory debt limitation. This Lease shall not directly or indirectly obligate Lessee to make any payments beyond those budgeted and appropriated from its general fund for Lessee's then current fiscal year. Lessee shall be under no obligation whatsoever to exercise its option to purchase the Equipment. No provision of this Lease shall be construed to pledge or create a lien on any class or source of Lessee monies.
