The National High School Clays Combine (NHSCC) is an opportunity for high school athletes involved in shotgun sports, and their parents, to meet college coaches and to ask important questions about what it means to be a collegiate athlete AND for college coaches to meet and evaluate prospective team members. NHSCC is a combination of shooting drills and competition meant to challenge and evaluate the student athlete's abilities and his or her potential for success at the college level. A chance for the athlete to display their abilities and skill in shotgun shooting sports.
