## **General Specifications for Mowing and Landscaping Area Maintenance 2023**

The City of Grand Island Streets Division is soliciting quotations for mowing and landscape area maintenance for several locations; each area will be considered a separate job and awarded individually.

Maps with notes about each location are attached.

### **SCOPE:**

Work and frequency for each area will vary and is detailed on the individual area bid sheet. The Contractor providing these services shall include furnishing all labor, equipment, tools, insurance, supervision, and materials along with all other items incidental thereto and to perform all work necessary to complete the work as specified, and in the prescribed manner and time.

Specific instructions/work limits are noted for each individual area.

### **MOWING/TRIMMING:**

Mowing grass or vegetation shall be completed with conventional mowing equipment. Use specialized equipment or hand labor when required to complete the job in certain areas. Trimming shall include trimming around all trees, signs, fire hydrants, utility markers and cabinets, signal cabinets, utility poles & guy wires, etc. Area to be mowed and trimmed are shown on map for each location.

Any streets or sidewalks adjacent to work area(s) shall be free and clear of grass clippings/removed vegetation before leaving the work site.

### **SEASON:**

The season shall run from April until the end of October; specific dates will be determined based on weather and rain. A notice to proceed shall be given prior to any mowing or landscape maintenance work being conducted. If additional work is required at the end of the season, an extension shall be requested and approved by the Streets Division prior to additional work taking place.

### **INTERVAL:**

Interval stated on bid form(s) will be the highest frequency required at peak growing season. Early/late growing season may be reduced as directed by the Street Superintendent, or designated representative.

### **BID PRICE:**

Each area will be considered a separate job and awarded individually based on Contractor's pricing for each area. Contractors may submit pricing for any, all, or no sections of this request and the City may select any, all, or no sections in this request to be awarded.

For bidding purposes, the following should be used as the number of mowing/trimming each season in order to calculate total bid price:

Once per Season = 1 x \$ per each

Twice per Month = 14 x \$ per each

Once per Week = 28 x \$ per each

Quantities on bid form are approximate and Contractors are encouraged to visit the site prior to bidding. Unit prices shall be for each mowing and shall be honored until December 31, 2023.

### **INVOICING & PAYMENT:**

Invoicing for services provided shall be sent to the Streets Division a minimum of once per month. The invoice shall state the location and date of the service provided.

**PUBLIC CONVENIENCE AND SAFETY:**

The Contractor shall observe City ordinances relating to obstructing streets, keeping passageways open and protecting same, and shall obey all laws and City ordinances controlling or limiting those engaged in the work. The Contractor is granted the privilege of using the street or streets for the purpose of doing work specified in the Contract, but he is not granted exclusive use of such street or streets. The Contractor shall handle the work in a manner that will cause the least inconvenience or nuisance to the general public and to property.

**INSPECTION:**

The City of Grand Island Street Superintendent or designated representative will inspect the work of the contractor. The Street Superintendent or designated representative may suspend operation, if in their opinion it is not being performed in a safe manner, or not in accordance with the contract specifications. The acceptance of an individual unit of work is solely within the discretion of the Street Superintendent or designated representatives.

**OTHER REQUIREMENTS:** Compliance with the Nebraska Fair Labor Standards, the City's Insurance Policy and the City's Drug Free Work Place Policy will be required. If copies of these policies are needed, please contact the Streets Division at 308-385-5322.

**A copy of the Contractor's Insurance Policy shall be submitted with completed bid form.**
