

2023 Steel Challenge Shoots

**Rimfire Pistol and/or Rimfire Rifle and/or Centerfire Pistol
at 1:00 PM**

July 23rd, September 3rd, October 1st, 2023

New shooters welcome! The Steel Challenge is a good way for new shooters to get started. And a great way to practice and have fun, even for experienced shooters. Divisions for center fire pistol, rimfire pistol and rimfire rifle. Four to six stages shot each week. Each stage has 5 steel targets ranging from 10" round steel plates to 18" x 24" steel plates placed from 7 to 35 yards away. All shot from one place (no movement during any string). Hit all five in the shortest time you can, your time is your score. No limit on the number of shots. Try five times at each stage and your best 4 times count. For more details including YouTube videos: [CLICK HERE](#)

PRE-REGISTERED ENTRY FEE: \$22.00

PAY ONLINE OR AT THE OFFICE - REGISTER ONLINE AT

<https://practiscore.com/clubs/gp16> OR CALL AHEAD TO THE OFFICE

AT LEAST ONE HOUR BEFORE MATCH

\$5.00 LATE FEE IF NOT PRE-REGISTERED.

150 max rounds per gun per week required if you don't have a single miss. Recommend bringing at least 200 rounds. We will shoot four to six stages per event depending on the wind and the temperature. Bring enough magazines that you do not need to reload magazines during your 5 strings at each individual stage (we will make exceptions for new shooters with limited magazines). Holster that covers trigger required for center fire pistol. Case or bag required for rimfire pistol or rifle. Empty chamber indicators required for rimfire and are available at the office for \$1.00 each at check-in.
