If LPA, or State on LPA's behalf, chooses to conduct a Consultant Performance Evaluation, LPA, or State on LPA's behalf, will notify Consultant of

the evaluation including necessary instructions and procedures for complying with the evaluation.

11.3.2 Consultant shall, to the fullest extent reasonable, implement and make modifications and changes in response to the evaluation, correct deficiencies, implement improvements, and improve performance to comply with the terms of this Agreement in response to the Performance Evaluation. LPA's or State's remedies for substandard performance will apply even in the absence of a Consultant Performance Evaluation.

Upon notice of substandard performance of Services revealed during or after the construction of the project, Consultant shall re-perform the Services at no cost to LPA or State. Consultant agrees that examination by LPA, State, or Federal Highway Administration of the United States Department of Transportation (FHWA), approval, acceptance, use of, or acquiescence in Consultant's Services, will not be considered a full and comprehensive examination and will not be considered approval of Consultant's Services that would relieve Consultant from liability or expense connected with Consultant's sole responsibility for the propriety and integrity of Consultant's Services pursuant to this Agreement. Consultant agrees that LPA's or State's declining to approve Consultant's services will not be deemed an acceptance of defective services or relieve Consultant of its obligations and liabilities with respect to such services.

PROFESSIONAL SERVICES AGREEMENT

- 12.2 Consultant agrees that acceptance or approval of any of the services of Consultant by LPA or State or of payment, partial or final, will not constitute a waiver of any rights of LPA or State to recover from Consultant damages caused by Consultant due to error, omission, or negligence of Consultant in its services.

28.1 The Subconsultants will provide scoping services.

28.2 Any other subletting, assignment, or transfer of any professional services to be performed by Consultant is hereby prohibited unless prior written consent of State, on LPA's behalf, is obtained.

28.3 At LPA's or State's discretion, Consultant may enter into an agreement with any subconsultants/subcontractors for work covered under this Agreement. All subconsultant/subcontractor agreements for work covered under this Agreement must

PROFESSIONAL SERVICES AGREEMENT

contain identical or substantially similar provisions to those in this Agreement. No right-of-action against LPA or State will accrue to any subconsultant/subcontractor by reason of this Agreement.

- 28.4 As outlined in SECTION 26. DISADVANTAGED BUSINESS ENTERPRISES, Consultant shall take all necessary and reasonable steps to ensure that disadvantaged business enterprises have the maximum opportunity to compete for and perform subagreements. Any written request to sublet any other services must include documentation of efforts to employ a disadvantaged business enterprise.

SECTION 29. CONSULTANT CERTIFICATIONS

The undersigned duly authorized representative of Consultant, by signing this Agreement, hereby swears, under the penalty of law, to the best of my knowledge and belief, the truth of the following certifications, and agrees as follows:

- 29.1 Neb.Rev.Stat. § 81-1715(1). I certify compliance with the provisions of Section 81-1715 and, to the extent that this Agreement is a lump sum, actual costs-plus-fixed-fee, or specific rates of compensation type professional service Agreement, I hereby certify that wage rates and other factual unit costs supporting the fees in this Agreement are accurate, complete, and current as of the date of this Agreement. I agree that the original contract price and any additions thereto shall be adjusted to exclude any significant sums by which State determines the contract price had been increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs.
- 29.2 Neb.Rev.Stat. §§ 81-1717 and 1718. I hereby certify compliance with the provisions of Sections 81-1717 and 1718 and, except as noted below, neither I nor any person associated with the firm in the capacity of owner, partner, director, officer, principal investor, project director, manager, auditor, or any position involving the administration of federal funds:
- a. Has employed or retained for a commission, percentage, brokerage, contingent fee, or other consideration, any firm or person (other than a bona fide employee working solely for me or the above Consultant) to solicit or secure this Agreement, or
 - b. Has agreed, as an express or implied condition for obtaining this Agreement, to employ or retain the services of any firm or person in connection with carrying out this Agreement, or
 - c. Has paid, or agreed to pay, to any firm, organization or person (other than a bona fide employee working solely for me or the above Consultant) any fee, contribution, donation, or consideration of any kind for, or in connection with procuring or carrying out this Agreement, except as here expressly stated (if any).
- 29.3 Certification Regarding Debarment, Suspension, and Other Responsibility Matters- Primary Covered Transactions. Section 29.3a below contains 10 instructions that consultant agrees to follow in making the certifications contained in 29.3b.
- a. Instructions for Certification
 1. By signing this Agreement, Consultant is providing the certification set out below.
 2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this project. Consultant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with State's determination whether to enter into this Agreement. However, failure of

PROFESSIONAL SERVICES AGREEMENT

Consultant to furnish a certification or an explanation will disqualify Consultant from participation in this Agreement.

3. The certification in this clause is a material representation of fact upon which reliance was placed when State determined to enter into this Agreement. If it is later determined that Consultant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal government, State may terminate this Agreement for cause or default.
 4. Consultant shall provide immediate written notice to State if at any time Consultant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
 5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549 – Debarment and suspension. Exec. Order No. 12,549, 51 Fed. Reg. 6370 (1986).
 6. Consultant agrees that should the proposed covered transaction be entered into, it will not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by State before entering into this Agreement.
 7. Consultant further agrees to include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," provided by State without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
 8. Consultant in a covered transaction may rely upon a certification of a prospective Subconsultant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A Consultant may decide the method and frequency by which it determines the eligibility of its principals.
 9. Nothing contained in the foregoing will be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of Consultant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
 10. Except for transactions authorized under paragraph a.6. of these instructions, if Consultant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, State may terminate this Agreement for cause or default.
- b. Certification Regarding Debarment, Suspension, and Other Responsibility Matters - Primary Covered Transactions
1. By signing this Agreement, Consultant certifies to the best of its knowledge and belief, that it and its principals:

PROFESSIONAL SERVICES AGREEMENT

- a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal department or agency;
 - b) Have not within a three-year period preceding this Agreement been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state, or local) with commission of any of the offenses enumerated in paragraph 1.b) above; and
 - d) Have not within a three-year period preceding this Agreement had one or more public transactions (federal, state, or local) terminated for cause or default.
2. Where Consultant is unable to certify to any of the statements in this certification, such Consultant shall attach an explanation to this Agreement. I acknowledge that this certification is to be furnished to State and the FHWA in connection with this Agreement involving participation of federal-aid highway funds and is subject to applicable, state and federal laws, both criminal and civil.

SECTION 30. LPA CERTIFICATION

- 30.1 By signing this Agreement, I do hereby certify that, to the best of my knowledge, Consultant or its representative has not been required, directly or indirectly as an express or implied condition in connection with obtaining or carrying out this Agreement to:
- a. employ or retain, or agree to employ or retain, any firm or person, or
 - b. pay or agree to pay to any firm, person, or organization, any fee, contribution, donation, or consideration of any kind.
- 30.2 I acknowledge that this certification is to be furnished to the FHWA, upon their request, in connection with this Agreement involving participation of Federal-Aid highway funds and is subject to applicable state and federal laws, both criminal and civil.
