This is a 3-Gun Outlaw fun shoot, USPSA multigun rule set will be used for all safety rules and penalties and as a basis but we may take some liberties that will be noted in the stage brief.

This match is hosted by Heartland Practical Shooters Club.

Set up will begin at 10am and the match will start at 11am or once all of the stages are finished.

Please try to arrive by 10 to help with setup, typically all we have to do is hang targets and maybe make some small adjustments to stages.

The match will consist of 4-5 stages, with 100-150 scoring rounds.

Courses may contain rifle shots from 1 yard to 300 yards, pistol shots from 1 yard to 50 yards, and shotgun targets from 9-20 yards. Slugs might be used in the match but not typically.

NO BUCKSHOT in the match.

Steel core and steel jacketed ammo is prohibited on steel targets. Using Steel core or steel jacketed ammo will result in immediate disqualification from the match.

Cancellations: If we need to cancel the match due to weather or any other reason we will issue full refunds right away and send out email notices explaining as soon as we make the cancellation. Cancellations will be made with a minimum of 24hrs notice.
