

ORDINANCE NO: 9983

AN ORDINANCE TO ADOPT A GOOD LIFE DISTRICT ECONOMIC DEVELOPMENT PROGRAM, TO REORGANIZE AND RETITLE CHAPTER 38 OF THE GRAND ISLAND CITY CODE, TO ADD ARTICLE II “GOOD LIFE DISTRICT ECONOMIC DEVELOPMENT PROGRAM” TO CHAPTER 38, ALONG WITH CODE SECTIONS 38-12 TO 38-22 TO AUTHORIZE ANY OTHER ACTIONS NECESSARY TO IMPLEMENT THE PROGRAM, AND TO PROVIDE FOR PUBLICATION AND AN EFFECTIVE DATE OF THIS ORDINANCE.

SECTION 1. Findings

THE CITY COUNCIL OF THE CITY OF GRAND ISLAND HEREBY FINDS THAT:

The Nebraska Legislature has authorized the Good Life District Economic Development Act (the “Act”) which allows the citizens of a city in which a Good Life District has been authorized to vote on whether a Good Life District Economic Development Program should be adopted by the city.

The State of Nebraska, Department of Economic Development, approved an application of Woodsonia Real Estate Inc. for the creation of a Good Life District within the boundaries of the City of Grand Island on June 5th, 2024 (the “District”), as authorized by the Good Life Transformational Projects Act. This approval will cause the State sales tax assessed within the portion of the District located in the City to be reduced from 5.5% to 2.75% effective at the beginning of the fourth calendar quarter of 2024 pursuant to Neb. Rev. Stat. §77-2701.03.

§77-4409 of the Good Life District Economic Development Act finds that “local sources of revenue must be established which are tailored to meet the needs of the local community and benefit the state, if the voters in the municipality determine that it is in the best interest of their community to do so.”

On June 18, 2024, the City Council called for a special election to be held August 13, 2024, (the “Election”) on whether a program should be created pursuant to the Act and funds duly appropriated to promote local economic development within the District.

At the Election, the voters authorized the establishment of a Good Life District Economic Development Program and empowered the City with the responsibility to develop and adopt a Good Life District Economic Development Program.

The City Council of the City of Grand Island is therefore authorized by its voters to develop and implement a Good Life District Economic Development Program Ordinance, the first of its kind in the State of Nebraska.

In fulfilment of this obligation, the Grand Island City Council hereby adopts this Ordinance (the “Program Ordinance”) to establish the terms and provisions of the City’s Good Life District Economic Development Program (the “Program”).

SECTION 2. Retitling of Chapter 38

BE IT THEREFORE ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF GRAND ISLAND NEBRASKA THAT Chapter 38 of Grand Island City Code be retitled “Economic Development Programs.”

SECTION 3. Reorganization of Chapter 38

BE IT FURTHER ORDAINED THAT Article I “Local Option Municipal Economic Development Program” be created, and that City Code provisions 38-1 through 38-11 be moved so as to be contained within the newly created Article I.

SECTION 4. Creation of Chapter 38, Article II “Good Life District Economic Development Program”

BE IT FURTHER ORDAINED THAT Article II “Good Life District Economic Development Program” be created within Chapter 38 and that the following sections 38-12 through 38-22 be codified in Chapter 38, Article II.

The Program shall leverage the authorities contained in the Act to promote and develop the general and economic welfare of the City of Grand Island and the State of Nebraska by providing support for unique and transformational projects that will strengthen our community, grow our economy, and strengthen our retail, entertainment, and tourism industries.

The Program recognizes the ability to use transformational development to improve the economic well-being of our citizens and our community through job creation, infrastructure, and other improvements that attract and retain tourists and college graduates from around the state.

The Program will focus on transformational and unique projects that generate new economic activity, expand the tax base and generate additional state and local taxes, create new economic opportunities, housing and jobs for residents, and promote retail, entertainment, and dining attractions.
