Exceptions to Specifications

Any bidder who has exceptions to any specifications and requirements listed in the bidding documents must so state in the space provided below. It is the bidder's responsibility to clearly outline any exceptions. Failure by bidder to outline exceptions will require the successful bidder to comply with the specifications.

Exception to Specifications:

Attached are detailed minimum specifications. The following general specifications also apply to this bid..

- | | |
|-------------------------------------|---|
| Manuals | Supply manuals as required in minimum specifications. |
| Warranty | All equipment shall carry the standard warranty; bidder should include warranty details with their bid; failure to comply may cause bid rejection. |
| Trade-In | Successful bidder will include in said bid a trade in value and accept as trade-in existing 2004 Freightliner FLD 120 (VIN # 1FUJALDE54DN19495) with approximately 7,900 hours and 185,000 miles. For further information or to arrange a viewing of existing equipment, contact Jeff Wattier, Solid Waste Superintendent at (308) 385-5433. Purchaser reserves the right to accept trade-in value or retain machine and sell outright. |
| Description Literature | The bidder shall attach hereto, and it shall be made part of this bid, regularly printed literature as published by the factory which sets out and fully describes the equipment to be furnished in the bid proposal. This literature or other supplemental information shall clearly indicate compliance with each and every item of these specifications. Failure to indicate compliance may be cause for rejection of bid. |
| Optional Equipment | The general and detailed specifications are the minimum requirements. Bidder may include optional equipment if desired. Optional equipment should be noted as such. |
| OSHA & ANSI Requirements | In addition to other specified requirements, the equipment shall meet all current Occupational Safety and Health Administration and American National Standards Institute requirement specifications. |

GENERAL SPECIFICATIONS PAGE 2 OF 3

- Delivery** Equipment is to be delivered from assembly point to the City of Grand Island Solid Waste Division, Transfer Station, 5050 West Old Potash Highway Grand Island, Nebraska, by commercial freight, rail or truck. Equipment shall not be towed in whole or part or driven in excess of 150 miles without the express authorization of purchaser. Units are to be delivered completely serviced and ready for operation.
- Delivery Date** Each bidder shall state in said bid a realistic delivery date for this equipment. Award-winning bidder must deliver within quoted delivery time.
- Payment** Prior to approving the invoice for payment, the City reserves the right to thoroughly inspect and test the equipment to confirm compliance with specifications. Any equipment which does not meet the City's requirements will be returned at vendor's expense for correction. Title, manufacturer's use tax form, odometer form and any specified data, diagrams, and manuals must be received prior to approval of invoice. The invoice will be paid at the next regularly scheduled Council meeting occurring after the approval of the invoice; the City Council typically meets the second and fourth Tuesday of each month. Invoices must be received well in advance of council date to allow evaluation and processing time. The furnished equipment must be new, the latest make or model, unless otherwise specified.
- Fair Employment Practices** Each bidder agrees that they will not discriminate against any employee or applicant for employment because of age, race, color, religious creed, ancestry, handicap, sex or political affiliation.
- Data Privacy** Bidder agrees to abide by all applicable Local, State and Federal laws and regulations concerning the handling and disclosure of private and confidential information concerning individuals and corporations as to inventions, patents, and patent rights. The bidder agrees to hold the City harmless from any claims resulting from the bidder's unlawful disclosure or use of private or confidential information.
- Independent Price Determination** By signing and submitting bid, the bidder certifies that: the prices in the bid have been arrived at independently, without consultation, communication or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor.
- Clarification of Specification Documents** Vendors shall promptly notify the Purchasing Agent of any ambiguity, inconsistency, or error which they may discover upon examination of the specifications. Interpretations, corrections and changes made to the specifications will be made by written addenda. Oral interpretations or changes to the specification made in any other manner will not be binding on the City; and bidders shall not rely upon such interpretations or changes. Following is the Purchasing Agent's name, address and telephone number: Jason Eley, Assistant City Attorney, P.O. Box 1968, Grand Island, Nebraska 68802 (308) 385-5444, Extension 138.

- Demonstration/Samples** If requested, the bidders shall, at bidder's expense, demonstrate and/or furnish samples of the exact item(s) proposed within seven (7) calendar days from receipt of such request from the City.
- Bid Evaluation and Award** No bid shall be withdrawn for a period of (60) sixty-days after bid due date. The City reserves the right to reject any and all bids, to waive technicalities and to accept the bid considered by the Purchaser to be in the City's best interest. The bid will be evaluated based on conformity to specifications, demonstration, price, quality, economy of operation, experience of the manufacturer, availability of parts and service for repair and maintenance, adaptability of the particular equipment for the specific use intended.
- Gratuities and Kickbacks** City Code states that it is unethical for any person to offer, give or agree to give any City employee or former City employee, or for any City employee or former City employee to solicit, demand, accept, or agree to accept from another person, a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, or preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing, or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim or controversy, or other particular matter, pertaining to any program requirement or a contract or subcontract, or to any solicitation or proposal therefore. It shall be unethical for any payment, gratuity, or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order.
