GENERAL SPECIFICATIONS**

for

ONE (1) TANDEM AXLE CHASSIS, MINIMUM 47,000 POUND GVWR WITH DUMP BODY

Lubrication & Maintenance Schedule	The bidder shall provide a lubrication and maintenance schedule for each component of the equipment/optional equipment.
Optional Equipment	The general and detailed specifications are the minimum requirements. Bidder may include optional equipment if desired. Optional equipment should be noted as such.
OSHA & ANSI Requirements	In addition to other specified requirements, the equipment shall meet all Current Occupational Safety and Health Administration and American National Standards Institute requirement specifications.
Delivery	Equipment is to be delivered from assembly point to the Streets Division, 1111 W. North Front St, Grand Island, Nebraska 68803, by commercial freight, rail or truck. Equipment shall not be towed in whole or part or driven in excess of 5 miles without the express authorization of purchaser. Units are to be delivered completely serviced and ready for operation.
Delivery Date	Equipment shall be delivered no later than 90 days after issuance of Purchase Order.
Payment	Prior to approving the invoice for payment, the City reserves the right to thoroughly inspect and test the equipment to confirm compliance with specifications. Any equipment, which does not meet the City's requirements, will be returned at vendor's expense for correction. Title, manufacturer's use tax form, odometer form and any specified data, diagrams, and manuals must be received prior to approval of invoice. The invoice will be paid at the next regularly scheduled Council meeting occurring after the approval of invoice; the City Council typically meets the second and fourth Tuesday of each month. Invoices must be received well in advance of Council date to allow evaluation and processing time. The furnished equipment must be new, the latest make or model, unless otherwise specified.
Trade-In	Successful bidder will include in said bid a trade-in value and accept as trade-in existing <u>1995 International 4900, 10 Cubic Yard Dump Body with approximately 95,179 miles, VIN 1HTSHAAR4SH681159.</u> Purchaser reserves the right to accept trade-in value or retain machine and sell outright. Bidder may request additional information or a viewing of said trade-in by contacting the City of Grand Island Streets Division at 308-385-5322.
Fair Employment Practices	Each bidder agrees that they will not discriminate against any employee or applicant for employment because of age, race, color, religious creed, ancestry, handicap, sex or political affiliation.

Data Privacy	Bidder agrees to abide by all applicable Local, State, and Federal laws and regulations concerning the handling and disclosure of private and confidential information concerning individuals and corporations as to inventions, patents, and patent rights. The bidder agrees to hold the City harmless from any claims resulting from the bidder's unlawful disclosure or use of private or confidential information.
Independent Price Determination	By signing and submitting bid, the bidder certifies that: the prices in the bid have been arrived at independently, without consultation, communication or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor.
Gratuities and Kickbacks	City Code states that it is unethical for any person to offer, give or agree to give any City employee or former City employee, or for any City employee or former City employee to solicit, demand, accept, or agree to accept from another person, a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, or preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing, or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim or controversy, or other particular matter, pertaining to any program requirement or a contract or subcontract, or to any solicitation or proposal therefore. It shall be unethical for any payment, gratuity, or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order.
Clarification of Specification Documents	Vendors shall promptly notify the Purchasing Agent of any ambiguity, inconsistency, or error, which they may discover upon examination of the specifications. Interpretations, corrections and changes made to the specifications will be made by written addenda. Oral interpretations or changes to the specifications made in any other manner will not be binding on the City; and bidders shall not rely upon such interpretations or changes.
Demonstrations/Samples	If requested, the bidder shall, at bidder's expense, demonstrate and/or furnish samples of the exact item(s) proposed within seven (7) calendar days from receipt of such request from the City.
Bid Evaluation and Award	No bid shall be withdrawn for a period of sixty (60) days after bid due date. The City reserves the right to reject any and all bids, to waive technicalities and to accept the bid considered by the Purchaser to be in the City's best interest. The bid will be evaluated based on the following:
