ADDENDUM NO. 1

Sewer Project 2012-S-4, South & West Interceptor Sewer Improvements
Grand Island, Nebraska
OA Project # 011-2347

TO ALL WHO HAVE RECEIVED PLANS AND SPECIFICATIONS FOR THE REFERENCED PROJECT.

This addendum supersedes all conflicting portions of the drawings and specifications. Contractor shall include all omissions, additions, and adjustments of all trades as may be necessary because of each change, substitution, or omission. Such omission, addition, or adjustment shall conform to recognized and accepted engineering practice.

1. Refer to the Plans, Sheet 9 of 15 – Sanitary Sewer Profile Sta. 153+95 to Sta. 158+30

Revise the existing sanitary sewer size shown in the profile view from 30" to **36"**.

2. Refer to the Plans, Sheet 11 of 15 – Sanitary Sewer Profile Sta. 503+50 to Sta. 509+00

Revise the existing storm sewer line size shown in the plan view from 84" to **72"**.

3. Refer to the Plans, Sheet 14 of 15 – Burdick Station Access Map, B-Pass Pumping and Traffic Control Notes and Details

Revise the existing storm sewer line size shown in the plan view from 84" to **72"**.

Revise item Note 1. to read:

1. Contractor shall utilize the existing 72" storm sewer as a corridor to route the bypass pumping under the railroad. The bypass pumping through the 72" storm sewer shall be accomplished by installing a separate bypass pumping line inside the storm sewer (sanitary sewerage shall not be directly discharged into the storm sewer line). The contractor shall protect the line from damage and movement that maybe caused by storm water during rain events while bypass pumping is on-going. All pavement removal, modifications to the storm sewer, and miscellaneous site work associated with bypass pumping is to be subsidiary to the site restoration pay item.

Informational Item:

The City of Grand Island has a GIS website available online at: www.grand-island.com . The site is under the GIS & Maps tab, HomeBase tab.

Each Bidder must acknowledge receipt of all Addenda in the space provided on the Checklist for Bid Submission and Contractor Bid Form.
