Name of Company \_\_\_\_\_

Utilities Department

The City of Grand Island Utilities requests quotes for the non-destructive testing of its Aerial Devices and Digger Derrick units. Vendor is to supply all personnel, material and equipment for this testing and to perform testing to the attached specifications.

All written quotations received by **Thursday, JANUARY 9, 2014**, will be considered. Sealed quotes, clearly marked for "Non-destructive Testing of Grand Island Utility Aerial Device and Digger Derrick Units quote", will be received at the **Storeroom, Utilities Department Service Building, 1116 West North Front, Grand Island, NE 68801. Quotes will be publicly opened at the Service Building at the time stated above.** Any quotations received after the specified time will be returned unopened to sender. No verbal quotations accepted. All quotes must be signed and dated by your quotation department to be accepted.

Quotes will be evaluated by the purchaser based on price, quality, experience, and ability to meet purchaser's schedule. Upon completion of evaluation of quotes, the company with the successful quote will receive a purchase order and executed contract within thirty (30) days after the deadline for quotations to be in. **Testing must be completed by April 15, 2014.** Two week notice prior to testing of vehicles will be required. All scheduling of testing is to be done through Bryan Fiala, Electric Distribution Superintendent.

Questions regarding this quotation should be directed to Bryan Fiala at 1116 West North Front Street, (308)385-5472 or (308)390-5210. The Utility reserves the right to reject any or all quotes, or waive informalities.

GENERAL SPECIFICATIONS  
FOR  
NON-DESTRUCTIVE TESTING OF GRAND ISLAND UTILITY  
AERIAL DEVICE AND DIGGER DERRICK UNITS  
CITY OF GRAND ISLAND, NEBRASKA

**Each Unit Must be Quoted Individually**
