The contract period will be from 01-01-2014 through 12-31-2015. The contract will become effective on the above stated date, provided the NSP has received the signed Contract Award from the Contractor.

The Patrol may cancel the contract at any time for breach of contractual obligations by providing the Contractor with a written notice of cancellation. Should the Patrol exercise its right to cancel the contract for such reasons, the cancellation shall become effective on the date as specified in the notice of cancellation sent to the Contractor.

The Patrol reserves the right to make modifications, deletions, or additions to the Contract Award at any time. Modifications that change any part of the Contract Award must be made by mutual agreement of both parties.

Where modifications are mandated by law or other requirements, over which the Patrol has no discretion or control, the Contractor agrees to accept the necessary modifications whenever possible. If however, the Contractor cannot accept the changes; this Contract Award can be terminated. Failure to agree to such modifications is not a dispute within the meaning of the Disputes paragraph of the Contract Award Guidelines.

FINANCIAL MANAGEMENT

The Contractor must maintain a financial management system that meets generally accepted accounting principles (GAAP). This documentation must be kept for a period of at least three years (3) following completion of the project or final payment, whichever is later. All such documents will be subject to periodic on-site review or audit as deemed necessary by the Office of National Drug Control Policy (ONDCP), the Patrol, and/or Federal audit agencies.

The Contractor agrees that the Patrol, the ONDCP, and/or the Comptroller General of the United States, the Auditor of the State of Nebraska or any of their duly authorized representatives may have access, for purposes of audit and examination, to any book, document, papers, or records maintained by the Contractor pertaining to this contract. If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the three years, the records shall be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular three year period, whichever is later.

STOP WORK

The Patrol may issue and the Contractor will accept a written order to hold or Stop Work on activities funded under this Contract Award for a period of 30 days. Such orders will be issued only for sufficient cause, such as reason to believe work is being performed outside of the terms of the Contract Award, for financial improprieties found during a monitoring inspection or voucher and records review, or a change in relevant laws or regulations.

A Stop Work may be continued, cancelled, or reissued as an order of termination.

The Contractor is responsible for any costs incurred after the completion of the project and the issuance of final payment by the Patrol unless by mutual agreement.

BREACH OF AGREEMENT

In the event full services are not provided by the Contractor unless as a result of fire, riot, or other Act of God or other emergency acceptable to the Patrol, the Contractor will reimburse the Patrol for all funding provided by the Contract Award. These provisions will be exercised by the Patrol only after Contract Award violation(s) has been established and negotiations between the Patrol and recipient have not resulted in a mutually acceptable resolution. A written notice of Breach of Contract must be issued by the Patrol.
