The Union further agrees that it will not do anything to discriminate against any employee who attempts the decertification of or resignation from the Union. The City agrees that it will take no overt action to aid any organization or association in an effort to decertify the Union during the term of this Agreement. The City shall establish the work week, work day, and hours of work. The work week, work day and hours of work may vary according to the special requirements of any division or program. Hours worked shall include actual hours worked and shall not include paid leave, holidays, and vacation when calculating overtime. The City shall strive to make reasonable efforts so that all changes and work schedules, except in cases of emergency, shall be posted for all affected employees to see at least seventy-two (72) hours before the change is effective. Twenty-eight (28) days notice for shift workers will be provided for long term shift reassignments; however, the City retains the right to reassign at any time for extraordinary circumstances or disciplinary reasons.

B. REST PERIODS

Employees may take a 15-minute rest period during the approximate middle of each one-half (1/2) work day; provided, however, that the granting of such rest periods shall be at such times as are the least disruptive of work in progress. If it is not feasible to grant any such rest periods, employees shall not receive additional pay or additional time off in lieu thereof. Non-shift employees shall be allowed at least one-half hour off, without pay, for a meal as close to the middle of the shift as possible. The employer retains the right to respond to emergency situations by not allowing a rest period. Rest periods shall not be cumulative. Unless prior supervisory approval is given, rest periods shall not be taken before one (1) hour after the employee arrives at work, or one (1) hour before the employee leaves work. Rest periods are considered work time. The provisions of this section may not be used for the purpose of regular and routine denial of rest periods.

C. SHIFT DIFFERENTIAL

A shift differential of \$0.15 per hour shall be added to the base hourly wage for persons in the employee classifications listed below who work a **complete** shift that begins between 3:00 p.m. and 11:00 p.m. Employees who work complete shifts from 11:00 p.m. to 7:00 a.m. will receive a shift differential of \$0.25 per hour. This does not include persons who work the day shift. Shift differential will only be paid for actual hours worked. Paid leave will not qualify for the shift differential pay.

D. OVERTIME AND COMPENSATORY TIME

1. Non-exempt employees who perform work in excess of forty (40) hours in a workweek, shall be compensated at the rate of one and one-half (1½) times their regular rate of pay for the excess hours worked. Compensation shall be in compensatory time or cash payment, at the option of the employee.

2. Overtime and compensatory time for work shall be accrued and compensated for in one-tenth (1/10) hour units.

3. This article shall not be construed as a guarantee of hours of work per day or per week. Overtime shall not be paid more than once for the same hours worked.

4. For purposes of calculating eligibility for overtime, "hours worked" shall include actual hours worked. Any payment for time not actually worked (leave time) shall not count towards the calculation of overtime.

5. In lieu of payment for overtime hours worked, the City may grant compensatory time off. One and one-half (1½) hours of compensatory time shall be credited for each overtime hour worked. Compensatory time may not be used on a holiday. Compensatory time may be accumulated up to sixty (60) hours annually but an employee may only have up to sixteen (16) hours in their bank at any one time with the year commencing October 1st. All compensatory time that is not used prior to the last pay period before September 15th of each year shall be paid out in cash to the employee at the regular hourly rate for the hours left in the compensatory time bank. The payout for the unused compensatory time shall occur in the last full pay period prior to or on September 15th, if September 15th is the last pay period of said year. It shall be permissible to use less than eight (8) hours at a time. The compensatory time off shall be taken at a time mutually agreed upon by the employee and his/her supervisor. It is understood that the usage of compensatory time is to be requested prior to being taken and the request may be denied as may any other leave request. Requests for the use of accrued compensatory time shall not be unreasonably denied.

6. All compensatory time must be recorded through the City's payroll system. Compensatory time kept by individual employees or their supervisors will not be recognized and is prohibited.

E. CALL-BACK PAY

In the event an employee is called to duty during his or her off-duty time, and such time does not otherwise merge with his or her regularly-scheduled work schedule, such employee shall be paid at the rate of one and one-half (1 1/2) times their regular rate of pay for the actual number of hours worked, although the employee shall be compensated for no less than two (2) hours at the enhanced rate. Provided, however, that if the employee called back responds and performs the work from a remote location without reporting to the work site, he or she shall be compensated as set forth above, but the minimum compensation will be one (1) hour instead of two (2).

F. WORKING OUT OF CLASS

The department director or his or her designee may temporarily assign an employee to perform the duties and responsibilities of a different position. If the temporary assignment is for a position with a higher pay scale and the employee is assigned to work out of class for more than five (5) consecutive work days, the employee is entitled to compensation, commencing on the sixth (6) day and thereafter, according to the higher pay scale at the level which will entitle the employee to a pay raise of at least 3%. At the end of the assignment, the employee will return to the rate of pay to which he or she would have been entitled to if no out of class assignment had been made.

For those who are called into work on the holiday, they shall receive as compensation straight pay up to eight (8) hours for the holiday, plus additional compensation at the rate of 1.5 times the regular rate of pay for the actual hours worked as holiday on pay. No compensatory time may be accrued in lieu of being paid Holiday on Pay or Holiday Pay.

C. WEEKEND HOLIDAYS

When a holiday falls on Sunday, the following Monday shall be observed as a holiday; when a holiday falls on Saturday, the preceding Friday shall be observed as the holiday; except,

E. PERSONAL DAY

Two (2) personal leave days will be given to employees each contract year. Two personal leave days will be given in October and must be taken by September 15th. Personal leave days may be taken at any time and may be taken in one (1) hour increments; provided, the time selected by the employee must have the prior approval of the employee's supervisor. The Director or his or her designees will make every effort to grant requested personal leave time; however, it must be approved in advance and will be granted on the basis of work requirements of the department. Use of personal leave will not be unreasonably denied. New employees who begin work on or after April 1 will not be eligible for personal days until the following October 1. C. VACATION SCHEDULE

1. Vacation leave shall be taken at a time convenient to and approved by the Department Director or supervisor.

Each employee shall take a minimum vacation of five (5) consecutive days. In the event a holiday falls within the mandatory five-day term, such holiday use will satisfy the mandatory term requirements.

D. SENIORITY FOR VACATION AND PERSONAL HOLIDAY PLANNING

The Department Director and/or supervisor shall grant leave on the basis of the work requirements of the City after conferring with employees and recognizing their wishes where possible. Preference in the scheduling of vacation and personal holiday time shall be given to employees within their job classification in order of their total length of employment with the City.

6. An employee on leave without pay shall be permitted to maintain health insurance coverage under the group policy at his or her own expense during such permitted leave without pay.

**ARTICLE IX – LEAVE TO SUPPLEMENT
WORKERS COMPENSATION BENEFITS**

A. POLICY

Any employee covered by this contract who sustains an on-the-job injury compensable under the Nebraska Workers Compensation Act may be granted injury leave to allow the employee to receive the equivalent of the employee's net pay at the time of the injury. This period shall be up to one hundred fifty (150) consecutive calendar days following the original date of disability which shall mean that the employee is unable to perform the job duties as defined by the employee's job description. Any reoccurrence or exacerbation of an injury shall relate back to the original injury for purposes of this article, including the commencement date of the 150 day period.

B. DEFINITIONS

Temporary disability shall mean the complete inability of an employee, for reasons of accident or other cause while in the line of duty, to perform the job duties as defined in the employee's job description, for a period of time not to exceed one hundred fifty (150) consecutive calendar days from the date of injury or the date that the disability begins.

Injury leave shall mean paid leave provided by the City to an eligible employee when that employee has no other paid leave available.

**C. APPLICATION OF WORKERS' COMPENSATION AND OTHER LEAVE
BALANCES**

All payments of salary provided by this article shall be subject to deduction of amounts paid under the Nebraska Workers' Compensation Act and other city leave balances as set forth below:

1. Pursuant to the waiting provisions in Section 48-119 of the Nebraska Workers' Compensation Act, no workers' compensation shall be allowed during the first seven (7) calendar days following the date of injury or date that temporary disability begins, unless the disability continues for six (6) weeks or longer. When the disability lasts less than six (6) weeks, an employee may use medical or vacation leave for the initial seven (7) days. If no other leave is available, the City shall grant the employee temporary injury leave.

2. The employee shall retain all Workers' Compensation payments following the initial waiting provisions as set forth above.

3. While on leave of any nature, the total compensation paid to an employee, including salary, wages, workers' compensation benefits, leave pay, and amounts collected from any other party (except the employee's private insurance) shall not exceed the employee's net salary at the time of the commencement of the leave, plus any allowed and approved cost of living increase which commences during the period of leave.

D. SUBROGATION

The City reserves a right of subrogation because of payment to any employee who is disabled or injured by a third party, and reserves the right to pursue collection from the employee of any money paid by the third party to the extent of the City's payment. Should the employee collect from a third party for wages, salary, or expenses otherwise paid by the City, he or she will reimburse the City for money paid resulting from the injury. The City reserves any other subrogation rights provided under Nebraska law.

E. LIMITATION OF LEAVE

Use of injury leave to supplement worker's compensation will not be available to employees following one hundred fifty (150) consecutive days from the original date the disability begins.

Any employee whose employment by the City is terminated due to exceeding the 150 day period or extension shall be compensated for any remaining unused medical leave as in the case of retirement.

If an employee reaches maximum medical improvement (MMI) and it is determined that the employee cannot perform the essential functions of the job, the employee may be terminated prior to the expiration of the 150 day period and will be compensated for any unused medical leave as in the case of retirement.

F. LIGHT DUTY POLICY

The City may provide light duty work when possible for a defined period of time, not to exceed one hundred fifty (150) days, for employees that are injured due to a work related situation. Employees will follow the City's Light Duty Policy. The commencement of light duty work and/or modified duty work shall be five (5) calendar days from the date of disability unless the employee is willing to return sooner. Any employee who does not willingly return to light duty work who is released by a doctor to do so, shall not be entitled to supplement worker's compensation benefits with injury or medical leave.

G. WORKER'S COMPENSATION AND FMLA

Leave taken in conjunction with worker's compensation injuries will be counted as part of the employee's 12 week FMLA entitlement.

H. LEAVE NOT CUMULATIVE

The maximum periods for leave to supplement workers compensation and light duty are concurrent and not cumulative. Neither leave to supplement workers compensation nor light duty will be available to employees following one hundred fifty consecutive (150) days from the original date the employee is unable to perform the job duties as defined by the employee's job description because of an on-the-job injury.

I. DRUG TEST FOR CAUSE

Any employee that is involved in a worker's compensation claim involving an injury or an accident involving an injury shall be required to submit to a drug test for cause. Additionally, if an employee is operating a city vehicle and is involved in an accident while in the operation of said vehicle, there shall be a drug testing for cause. Any employee involved in any such injury or accident shall immediately notify his or her supervisor and the Human Resources Department so that immediate arrangements can be made for the drug testing to promptly be carried out.

ARTICLE X - GENERAL PROVISIONS CONCERNING LEAVE

A. ABSENCE WITHOUT APPROVAL

An employee who is absent from duty without approval shall receive no pay for the duration of the absence, and unless there is a legitimate reason for the absence, shall be subject to disciplinary action. An employee who is absent without approval for three (3) consecutive days is considered to have resigned unless waived by the City.

B. LEAVE FORM

For all leaves except unforeseeable medical leave or other emergency situations, a written request on the authorized leave form, indicating the kind of leave, duration, and dates of departure and return, must be approved prior to taking leave. In the case of unforeseeable medical leave or other emergency situation, the form shall be completed and submitted for approval upon the employee's return to duty. Unless a leave form approved by the supervisor substantiates an absence, an employee shall not be paid for any absence from scheduled work hours.

ARTICLE XI - PENSION RETIREMENT PLAN

A. PENSION

1. The City agrees that the employees covered under this agreement are covered under the pension plan adopted by Ordinance No. 4244, as amended.

Continuous service as used in Section 1 hereof means an employee's total continuous length of service with the City without break or interruption; provided, that lay-off of one (1) year or less, any suspension for disciplinary purposes, absence on authorized leave with or without pay, absence while receiving temporary total disability benefits under the Nebraska Worker's Compensation Act, and any absence due to serving as a union officer or official whether elected or appointed, shall not constitute a break or interruption in service within the meaning of this Article.

3. After an employee satisfactorily completes his or her initial introductory period of employment with the City, his or her seniority shall be effective from the date on which the employee was hired.

4. A list of employees arranged in order of their seniority as defined herein will be made available for examination by employees upon request by the union.

5. Where two or more employees were hired in the bargaining unit on the same date, their seniority standing shall be determined in the order in which they filed their application for such employment.

6. Whenever it is determined to be in the best interest of the City to reduce its workforce, the factors that will be taken into consideration, in no particular order of importance, shall include, but are not limited to:

- The employment policies and staffing needs of the department, together with contracts, ordinances, and statutes related thereto and budgetary considerations;
- Required federal, state, or local certifications or licenses;
- Seniority;
- The performance appraisal of the employees affected, including any recent

or pending disciplinary actions;

- The knowledge, skills and abilities of the employee; and
- The multiple job skills recently or currently being performed by the employee.

A determination will be made as to the classifications to be affected by a reduction in force and the number of employees to be laid off. A determination as to whether any employees within a job classification should be exempted from consideration due to the existence of a required federal, state, or local certification, or license will also be made at this time.

Employees laid off under this reduction in force policy shall be eligible for recall for a period of 2 years after layoff. If, within 2 years after layoff, a new position is opened within the reduced job classification for the department, the employee shall be recalled in the reverse order of layoff. After 2 years, the employee will have no preference for rehire.

7. If the City elects to fill a position or promote from within a pool of existing City employees, the factors to be considered may include, but are not limited to, those factors listed for consideration for reductions in the workforce in this article.

ARTICLE XIII - RATES OF PAY FOR WORK PERFORMED

A. SURVEY

The City and the Union surveyed the following array of cities to determine current labor market comparable salaries and benefits for work performed in the various job classifications covered by this agreement: Ames, Iowa; Iowa City, Iowa, Jefferson City, Missouri, Lawrence, Kansas, Sioux City, Iowa, St. Joseph, Missouri, Rapid City, South Dakota and Manhattan, Kansas. Said array conforms to the standards established by the Nebraska Commission of Industrial Relations (CIR). Using the survey results, the Union and the City established a pay range for each class of work covered by this agreement.

B. 2014 - 2015 FISCAL YEAR

See Exhibit "A", attached hereto. Employees in Step 8 on October 1, 2014 shall move to Step 9 effective the first full pay period on or after October 1, 2014.

C. 2015 - 2016 FISCAL YEAR

See Exhibit "B", attached hereto. Employees in Step 9 on October 1, 2015 shall move to Step 10 effective the first full pay period on or after October 1, 2015.

D. 2016 - 2017 FISCAL YEAR

See Exhibit "C", attached hereto. Employees in Step 10 on October 1, 2016 shall move to Step 11 effective the first full pay period on or after October 1, 2016.

E. 2017 – 2018 FISCAL YEAR

See Exhibit "D", attached hereto, effective the first full pay period on or after October 1, 2017.

F. FUTURE CHANGES AND RATE OF PAY

It is understood and agreed that payment of future rates is contingent upon the City adopting budget statements and appropriations for ordinances sufficient to fund such payments and salary ordinances authorizing such payments. The Union acknowledges that the City must comply with the Nebraska Budget Act.

G. PAY PLAN

1. Employees, prior to advancing in step or grade, shall be evaluated. Employees will be considered for pay schedule step increases upon the following schedule. Such adjustments in pay shall be effective on the first day of a pay period falling on or immediately after the classification anniversary. Prior to advancing in a step or grade, employees will be evaluated on their performance at least annually. An employee must have satisfactory performance ratings in order to receive an increase in pay, other than a salary table adjustment.

Step 1 Entry Level

Steps 2 - 11 Upon the successful completion of the anniversary of the employee's hire date or the anniversary date of the employee's promotion or demotion.

2. The introductory period for new employees shall be six (6) months, unless otherwise extended by the Department Director.

3. Employees received the highest possible rating may be considered for more than a one-step increase when recommended by the Department Director.

4. In no case shall any employee be advanced beyond the maximum rate of pay grade for his or her class of position.

ARTICLE XIV - EMPLOYEE RELATIONS

A. GENERAL

Every employee shall fulfill conscientiously the duties and responsibilities of his or her position. Every employee shall conduct himself or herself at all times in a manner which reflects credit on the City. Every employee shall be impartial in all of his or her official acts and shall in no way endanger nor give occasion for distrust of his or her impartiality.

B. MEMBERSHIP IN UNION

1. An employee shall have the right to join or refrain from joining this union.
2. This union shall not exert pressure on any employee to join it.
3. The union shall not discriminate in membership on the basis of race, religion, national origin, color, age, gender, disability status, or political affiliation.
4. At any meeting between a representative of the City and an employee in which discipline (including warnings which are to be recorded in the personnel file, suspension, demotion, or discharge for cause) is to be announced, the employee may request representation from the Union.

C. DISCIPLINE PROCEDURES

Chapters 1, 2 and 3 of the City Personnel Rules in effect as of 11/13/2012 and as may be amended if agreed to by both parties, shall apply to all disciplinary procedures for members of this bargaining unit. In the case of suspension without pay, demotion, or termination, the employee or the Union may request non-binding arbitration as set forth below if they are dissatisfied with the Mayor's determination if a Mayoral hearing is requested as outlined in the Personnel Rules.

If Arbitration is requested by either party for termination, demotion, and/or suspension an impartial Arbitrator shall be selected in the following manner. The Federal Mediation and Conciliation Service shall be requested to furnish a listing of seven (7) available Arbitrators. From this listing, the City and the Union shall alternately strike names [three (3) names each]. The remaining named Arbitrator on the listing shall be designated to act as Arbitrator to the dispute.

1. As soon as possible after the selection of the Arbitrator, the Arbitrator shall meet with the City and the Union to give due consideration to the dispute. A decision, in writing, from the Arbitrator shall be forwarded to both parties of the dispute within thirty (30) calendar days after the final meeting concerning the dispute. The decision by the Arbitrator shall be non-binding on the parties thereto.
2. In each case submitted to the Arbitrator, the Arbitrator shall make written findings setting forth the reasons for his/her decision, referring to the express provision of the Agreement interpreted and applied, the manner in which either party failed to perform such provision and the decision by the Arbitrator as to how it should be performed in accordance with the terms of this Agreement.

D. EXPENSES OF ARBITRATION

Each party shall bear the expense of preparing and presenting its own case and the expense of the Arbitrator, and incidental expenses mutually agreed to in advance shall be borne equally by the parties hereto.

ARTICLE XV -- GRIEVANCE PROCEDURE

An alleged grievance arising from an employee shall be handled either by following the City Personnel Rules, or the Grievance Procedure in the manner described below. The employee must choose, prior to beginning the process, to either follow the Personnel Rules or this Grievance Procedure -- the employee may not do both. The employee must make this choice within three (3) business days.

A grievance for the purpose of this Agreement refers to a question of the interpretation of the terms of the labor agreement between the City and the Union.

First Step - Any employee who believes that he or she has a justifiable request or grievance shall discuss the request or complaint within five (5) work days with his or her foreman, with or without the Union steward being present, as the employee may elect, in an attempt to settle same.

The foregoing procedure, if followed in good faith by both parties, should lead to a fair and speedy solution of most of the complaints arising out of the day to day operations of City government. However, if a complaint or request has not been satisfactorily resolved in Step 1, it may be presented and must be in writing and processed in Step 2 if the Union steward determines that it constitutes a meritorious grievance. A grievance, to be considered beyond Step 1, must be filed in writing with the foreman on forms provided by the City.

Second Step - If the alleged grievance is determined to be valid, the employee or his or her designated representative shall present it within ten (10) work days after the discussion with the foreman. The supervisor shall notify the employee in writing, within five (5) work days of his or her decision.

Third Step - If the grievance is not settled to the satisfaction of the employee, the employee or designated representative shall present it to the head of the department in writing within five (5) work days of the receipt of the decision of the immediate supervisor. The head of the department, or his or her designated representative, shall consider the grievance and shall notify the employee in writing of a decision within five (5) work days of the receipt of the grievance.

Fourth Step - If the grievance is not settled to the satisfaction of the employee, the employee or designated representative shall present it in writing to the Personnel Director within three (3) work days after the decision of the Department Director. The Personnel Director shall investigate the case within seven (7) work days and make a recommendation to the Chief Administrative Officer. The Chief Administrative Officer shall notify the employee of the decision made and of any action taken within seven (7) work days of the receipt of the grievance.

Fifth Step - If the grievance is not settled by the Chief Administrative Officer to the satisfaction of the employee, the employee may appeal, in writing, within ten (10) days of the receipt of the Chief Administrative Officer's decision to the arbitration. The arbitration procedure established in this step shall extend only to those grievances which are arbitrable under this agreement. The arbitration procedure shall be as follows:

a. The City and the Union shall obtain from the Federal Mediation and Conciliation Service a list of five (5) arbitrators. The City and Union shall take turns striking arbitrators until there is one left. The Union shall have the first strike. After the Union uses its first strike, the City shall exercise their first strike. The Union shall then exercise their final strike followed by the City exercising their final strike. A finding or award of the Arbitrator shall be advisory upon the parties.

b. The procedure to be followed in submitting the grievance to the Arbitrator shall, unless agreed upon by the parties prior to the hearing, be determined by the Arbitrator.

i. It is understood and agreed between the parties that the decision of the Arbitrator, constituted as set forth above, shall be advisory upon the parties, and that the Arbitrator's jurisdiction shall be limited to the application of this contract. The Arbitrator does not have the jurisdiction to amend, alter, enlarge, or ignore any provision of this contract.

ii. The expenses of the Arbitrator shall be shared equally between the City and the Union.

iii. It is specifically agreed that grievances shall not be combined for purposes of submitting them to arbitration. Only one grievance shall be heard in an arbitration proceeding.

iv. If the City raises the question as to whether a grievance is arbitrable under this section, the Arbitrator will not proceed under the assumption that the grievance is, in fact, arbitrable but must specifically rule on such question with the reason given therefor as part of their written decision. The Arbitrator may rule on the arbitrability and the merits in the same hearing.

ARTICLE XVI - OTHER BENEFITS

A. MEDICAL INSURANCE

The City agrees to provide health, dental, and long-term disability insurance during the term of this agreement for the employee and employee's dependents at the same benefit level and employee contribution level as provided to other City employees not governed by a collective bargaining agreement under the City's general group insurance plans. The City's general group insurance plan year runs from October 1 through September 30 of each year.

The City agrees to establish and maintain an employee advisory committee to aid in obtaining medical and dental insurance.

An employee who is on approved leave of absence without pay, for non-FMLA purposes, will not be removed from coverage under the City's health and dental insurance unless they are

disqualified by the plan. The employee shall be allowed to participate in the plan and pay the entire premium.

An employee who is on approved leave of absence without pay, for any leave of absence covered under the FMLA, will not be removed from coverage under the City's health and dental insurance and the employee shall be allowed to participate in the plan at the employee's expense.

The employee will be required to pay the premium on the life insurance policy during any leave of absence without pay for the first sixty (60) days. Thereafter, such employee will be dropped from the life insurance plan. The employee shall pay both the City's premium and his or her optional insurance premium during this period.

D. UNION BULLETIN BOARD

The City agrees to provide space for the Union to erect a bulletin board for each division of sufficient size for the posting of notices of union meetings, union elections, union election results, union appointments to office, and union recreational or social affairs. Any material posted on said bulletin board(s) shall either be on union stationery or otherwise authenticated and authorized by an officer of the union. No item may be posted on the bulletin board(s) unless the item has been approved for posting by the Mayor or his or her designated representative and such approval shall not be unreasonably withheld.

E. SAFETY COMMITTEE

The City shall maintain an appropriate safety committee and the Union shall be able to have a representative participate on said committee.

F. TRAVEL TIME REIMBURSEMENT

G. TUITION AND BOOK REIMBURSEMENT PROGRAM

Tuition and book reimbursement shall be available, subject to the following restrictions, for the purpose of enhancing the knowledge and skills of employees to better perform their current duties within the confine stated below:

1. **Qualification Process.** The determination of whether a request qualifies for the tuition reimbursement program shall be made by the Department Director and City Administrator based upon the following considerations:

- a. There is budget authority.
- b. The course is to be a core course offered by an accredited college or university which is directly related to the job of the employee and books and fees are necessary for the course.
- c. There is Department Director and City Administrator approval.
- d. The employee requesting reimbursement is not eligible for any other assistance programs.

2. **Approval Process.** To receive tuition reimbursement, the employee must submit a "Tuition Request Form", which shall contain the qualification information discussed above, as well as the employee's financial request prior to beginning the course. Reimbursement approval is limited as follows:

- a. Base tuition and necessary books and fees only.
- b. If the employee is eligible for other assistance programs, the City will provide secondary benefits only.

3. **Reimbursement Process.** Any employee requesting tuition reimbursement shall submit a grade report, documentation of payment of reimbursable costs, and the tuition request form to the Human Resources Department for processing for payroll. A grade of "B" or higher will qualify for reimbursement at 100% of the amount allowed and a grade of "C" to "B-" will qualify for 85% of the allowed amount.

4. **Service Requirement.** Tuition reimbursement is available to regular status full-time employees.

5. **Eligibility Requirements.** Payment for tuition reimbursement shall be limited as follows:

- a. No tuition reimbursement shall be available until after the completion of the introductory period. Requests for reimbursement and supporting documentation must be turned in within thirty (30) days after completing the course.

6. **Effective Date.** The tuition reimbursement program is a non-retroactive policy and shall go into effect on the date of the ratification of this contract.

The City makes no commitment to provide for the total cost of a higher education course or for all courses leading to a degree. Each course shall be evaluated separately on its merit by the Department Director and the City Administrator to determine eligibility for tuition and related expense reimbursement. Doctoral or PhD level classes and degree programs are not

eligible for reimbursement. To be eligible for reimbursement, the course must also be a course or program offered by an accredited college or university.

H. BILINGUAL PAY

Employees who are proficient in an approved second language will be paid One Thousand Five Hundred and No/100 Dollars (\$1,500.00) per calendar year, payable in the second check in November. In order for an employee to collect bilingual pay, the employee must be actively employed in November. The Department Director will determine whether bilingual skills are needed based upon the interaction of the department with the public. If bilingual skills are needed, the Department Director will determine which languages are "approved" based upon the needs of the department as they relate to the demographics of Grand Island.

A test will be given by the Human Resources Department to test the proficiency of the employees in each approved language before an employee is eligible for bilingual pay. The bilingual test will measure, among other things, an employee's conversational ability.

Bilingual pay will be prorated based on the employee's average hours worked. An employee that is hired as an interpreter will not be eligible for bilingual pay.

I. VOLUNTARY EMPLOYEE BENEFITS ASSOCIATION (VEBA)

All employees will be eligible to participate in the group VEBA. A contribution will be made on the employee's behalf each pay period in the amount of Fifteen and No/100 Dollars (\$15.00).
